PROFESSIONAL SUMMARY

A passionate and results-driven web developer with hands-on experience in full stack web development. Skilled in designing, developing, and optimizing scalable applications using the MERN and Java Full stack. Adept at problem-solving, debugging, and collaborating with cross-functional teams to deliver high-quality software solutions.

PROFESSIONAL EXPERIENCE

Stigmata Techno Solutions pvt ltd, Web Developer 12/2023 – 01/2024 | Chennai, India
Gained hands-on web development experience at Stigmata Techno Solutions, building responsive applications and working on real-world projects using modern front-end and back-end technologies.

Senthuron Tech, Full stack Developer 06/2024 – 12/2024 | Coimbatore, India
Responsible for developing and implementing user-centric web applications with responsive UI/UX designs. Integrated seamless navigation and optimized the user experience with a clean, professional layout and consistently met project deadlines and received a commendation for deadline and focus.

SKILLS

Programming Languages — C, C++, Java, Python*

Web Technologies — HTML, CSS, JavaScript, React.js, Next.js, Nest.js, Express.js, Node.js, Redux, Spring boot, Three.js

Database Management — MongoDB, MYSQL, PostgreSQL

PROJECTS

Parkinson's Disease Prediction

Developed a web-based Parkinson's disease prediction system using machine learning to analyze patient data and support early diagnosis and clinical decision-making.

Restaurant Management System

A full-stack restaurant management system that provides a digital presence for restaurants and replaces manual operations such as menu management and reservation handling currently done through WhatsApp.

AI-Powered Content Moderation System – Techgium Finalist

Developed an AI-powered content moderation system using machine learning and NLP to automatically detect and filter inappropriate content, enabling real-time monitoring, automated decisions, and improved platform safety.

EDUCATION

GRG Matriculation Higher Secondary School 2019 | Coimbatore, India
SSLC

GRG Matriculation Higer Secondary School 2021 | Coimbatore, India
HSC

Sri Ramakrishna Engineering College 2021 – 2026 | Coimbatore, India
MTech-Computer Science and Engineering (Integrated 5 Years)

ACHIEVEMENTS

Techgium Finalists

Techgium AI Challenge for AI-Powered Content Moderation. Recognized for developing an AI-driven content moderation system using Google Cloud and MERN stack, capable of filtering inappropriate text, images, and videos in real-time.
